

**SAVE THE DATE!**

**Monday, June 10<sup>th</sup> 2019**

**1:15 PM – 2:30 PM**

**UN Headquarters, Conference Room C**

Side Event at the Conference of States Parties to the CRPD

**“Including the furthest left behind: Disability Data Advocacy Working Group”**

**The Stakeholder Group of Persons with Disabilities**

in collaboration with

**Permanent Missions of Italy, Australia and the Republic of Zambia to the United Nations,**

**International Disability Alliance, Disabled Peoples’ International, World Blind Union, CBM, UN Statistics Division and the Washington Group on Disability Statistics**

are pleased to invite you to an interactive discussion on disability data!

Participants are invited to:

- Share information regarding the current situation on disability data at the national level;
- Discuss programs, advocacy strategies, lessons learned, challenges and best practices on disability data and on how to reach and include persons with disabilities in data collection;
- Highlight any good practices when data was used to influence policies and/or budget changes for persons with disabilities;
- Share any good practices on alternate data sources that include data on persons with disabilities; and
- Recommend strategies for galvanizing donors and national statistical offices to collect data on persons with disabilities.

**Accessibility:** This side event will be accessible with International Sign interpretation and real-time captioning.
